

WHY CHOOSE SHAKESPEARE QUIZZES?

Shakespeare quizzes offer a range of tests for any French speaker who wants to learn or strengthen the concepts and grammatical rules of the English language. Students will find an inexhaustible source of answers regardless of whether they are self-taught, learning at school, or working in a group within a company.

Over time, Shakespeare quiz users are clearly able to see how they benefit from an innovative educational concept which not only allows them to know, but to understand and apply the learned concepts and rules. They will be able to consolidate what is acquired and correct their errors.

Quizzes can be used at the appropriate level for the student based on their prior knowledge of English. The tests offered are built according to level of difficulty as shown in the following table:

LEVEL	INDIVIDUAL OR GROUP	SCHOOL LEVEL
1A	Very beginner	Presecondary
1B	Beginner	Secondary 1
2	Advanced beginner	Secondary 2
3	Intermediate beginner	Secondary 3
4	Intermediate	Secondary 4
5A	Advanced	Secondary 5 (normal level)
5B	Very advanced	Secondary 5 (advanced level)
